

Deployment Zone

The diagram consists of a vertical stack of five horizontal bands. The top band is red and labeled 'Deployment Zone'. Below it is a light blue band labeled 'Sector'. This is followed by a light purple band also labeled 'Sector'. Below that is a light orange band labeled 'Sector'. The bottom band is blue and labeled 'Deployment Zone'. The entire stack is enclosed within a thin blue border. The labels 'Deployment Zone' are in white text, while the 'Sector' labels are in black text.
